

# 2021 Grant Recipients

## 2021 Taranaki Foundation Funding Round

Thanks to the generosity of people in our community each year we are able to help organisations in Taranaki who support the diverse needs of the region. We distribute the income on endowment funds in accordance with the wishes of our [Taranaki Foundation donors](#). As Taranaki Foundation grows in size through community giving, we can distribute more grants to our community.

This year a total of \$26,152 was awarded to support fourteen community groups in the Taranaki region.

## 2021 Hearing and Visually Impaired Fund

Additionally, through the generosity of one of our Taranaki Foundation pass-through donors we were also able to distribute a total of \$10,500 via our Hearing and Visually Impaired Fund. This allowed six individuals to purchase specialist equipment ranging from fire alarms, hearing aids, a laptop, an exercise bike and an iPad.
