

Your legacy of generosity, forever.

The Will To Give

Leaving a gift for the community in your Will through Taranaki Foundation is a simple way to ensure your generosity keeps giving for generations to come.

Once you have made provision for your loved ones, a gift in your Will can be the perfect way to make a difference, without impacting on your current financial needs.

Why Taranaki Foundation?

Our role as a Community Foundation is to nurture and build the prosperity of our region.

Taranaki Foundation is building a permanent endowment fund for the region, keeping capital intact and generating returns to make grants to local charitable groups. We are here to assist you in supporting the things you care about most.

Your Gift. Your Choice.

We understand that giving is a personal decision. You have the flexibility to leave a percentage of your estate or a specific sum in your Will.
