

You Give, Your Way

Make a gift to your community that can go further and forever.

Whether you're an individual, a family, an existing Society or Trust, a business, or a professional advisor, we offer the flexibility for you to decide when, who, how much, and in what form you give. Let us help turn your intention into meaningful impact.

1. Give Today

Make a one-off donation or regular contributions to causes you're passionate about. See the immediate benefit of your gift in action and qualify for a 33.3% tax credit.

2. Give Tomorrow.

With a gift in your Will, you can provide for your family and your community. Choose to leave a percentage of your estate, a specified amount, or what's left after all your other commitments are taken care of.

3. Give in Your Name

You can establish an endowment fund at any time with us and you can start small and build it up over time. We will work closely with you and your family to create your fund which best fits with your charitable objectives.

4. Giving for Charitable Organisations & Trusts

If you have a charitable trust, or are thinking of setting one up, talk to us about how we can help with the compliance requirements, future trustee succession planning and asset transfers.

5. Give to an Established Community Fund

Support any of our existing Taranaki Foundation or Community Funds set up to support long-term community transformation within our region.

6. Give Together

Workplace Giving is an easy way for businesses and employees to give back to their community. We can also work with your business to develop a tailored corporate giving plan.

“We were impressed with the community foundations’ model as it will not only ease the fundraising burden but also provide our supporters with a way to invest in our future and help us to ensure we can continue to provide our specialist hospice care and support to all who need us.”
